

VICTORY CHIMES 2022 Summer Sailing Schedule

We hope you will join us for a sailing adventure. We always sail as much as possible and pride ourselves on good food and company. All music performances are acoustic and about an hour, taking into consideration the peacefulness of the evenings on the water around us. Themes are a fun addition to the adventure, but we always make sure to focus on the scenery around us and leave ample time for sailing and small boat adventures. Whether sailing or rowing is your favorite, we carry a variety of [small craft](#) for your use. We are happy to take you out or teach you.

PRICES ARE PER PERSON and subject to upgrade fees for private cabins or suites with private restrooms. Please have a look on our website: victorychimes.com for further details on trips and cabin options. (Cabin layout on back)

VICTORY CHIMES

DECK LAYOUT NOT TO SCALE

Length Overall.....170 feet
 Length on deck.....132 feet
 Beam.....25 feet
 Draft:
 (Centerboard Up)... 7 feet 6 inches
 (Centerboard Down).....18 feet
 Tonnage.....208 gross tons
 Passengers.....44 maximum
 Crew.....10

With 132 feet of deck, the largest in the fleet, there is plenty of room to stretch out.

We have plenty of comfortable seating on deck, and mats for you to relax on.

We carry over 3000 gallons of fresh water for you to drink. Two hot, fresh water showers are located on deck level.

3 public heads are placed strategically throughout the ship, and 4 suites, with private heads are available.

* * *

The three-masted schooner Victory Chimes, originally launched as Edwin and Maud, is a National Historic Landmark. She is the last surviving Chesapeake Ram schooner in the world.

Wind powered since the day she was launched in 1900, she is now featured on the Maine State quarter!
